About the Source Water Bibliography

Compiled by Mary Stevanus
Water Quality Information Center
National Agricultural Library

This electronic bibliography is intended primarily to provide awareness of recent investigations and discussions of a topic and is not intended to be in-depth and exhaustive.

Citations were located in the Agricola database. AGRICOLA, produced by the National Agricultural Library, indexes over 3.5 million books, articles, and reports on agricultural topics. Citations are arranged alphabetically by title and abstracts are included where available. All citations are in English unless otherwise noted.

The inclusion or omission of a particular publication or citation should not be construed as endorsement or disapproval.

Send suggestions for electronic bibliographies related to water resources and agriculture to wqic@ars.usda.gov.

To locate a publication cited in this bibliography, please contact your local, state, or university library. If you are unable to locate a particular publication, your library can contact the National Agricultural Library (please see "Request Library Services" at <http://www.nal.usda.gov/services/request.shtml>).
